CHINA GRENTECH SCHEDULES 2009 FIRST QUARTER EARNINGS RELEASE FOR THURSDAY, MAY 14, 2009

**Earnings Conference Call to be held on Friday, May 15, 2009
at 5:00 am (Pacific) / 8:00 am (Eastern) / 8:00 pm (Beijing/Hong Kong)**

SHENZHEN, CHINA — May 6, 2009 — China GrenTech Corporation Limited (NASDAQ: GRRF, “the Company”, or “GrenTech”), a leading China-based radio frequency (“RF”) technology and product developer and a leading wireless coverage products and services provider, announced that it will release unaudited financial results for the first quarter ended March 31, 2009 after the US market closes on Thursday, May 14, 2009.

The earnings release will be available on the investor relations page of its website at: http://www.grentech.com.cn/en/Earnings_Announcements.asp.

Following the earnings announcement, GrenTech senior management will host a conference call at 5:00 am (Pacific) / 8:00 am (Eastern) / 8:00 pm (Beijing/Hong Kong) on Friday, May 15, 2009 to discuss its 2009 first quarter financial results and recent business activities. To access the live teleconference, please dial 1 866 270 6057 (US) or 1 617 213 8891 (International), with passcode GRENTECHCALL. Please dial in approximately 10 minutes before the scheduled time of the call.

A replay of the conference call will be available through 10:00 am (Eastern) on May 22, 2009, by dialing 1 888 286 8010 (International callers use 1 617 801 6888) and entering passcode 53935145.

Additionally, a live webcast of the conference call and replay will also be available on the investor relations page of GrenTech’s website at:

http://www.grentech.com.cn/en/Earnings_Announcements.asp.

About China GrenTech

GrenTech is a leading developer of radio frequency (“RF”) technology in China and a leading provider of wireless coverage products and services in China. The Company uses RF technology to design and manufacture wireless coverage products, which enable telecommunication operators to expand the reach of their wireless communication networks to indoor and outdoor areas, such as buildings, highways, railways, tunnels and remote regions. GrenTech’s wireless coverage services include design, installation and project warranty services. The Company also tailors the design and configuration of its wireless coverage products to the specific requirements of its customers.

Based on its in-house RF technology platform, the Company also develops and produces base station RF parts and components sold to base station manufacturers. GrenTech is a qualified supplier of RF parts and components to the global and domestic major base station manufacturers including Huawei Technologies and ZTE Corporation.
